Directions from the Points North, East or West:

Directions from the Points North, East or West:

Take Interstate 66 or Route 50 toward Fairfax City (west from the Capital Beltway I-495 or east from outlying suburbs in Prince William or Loudoun Counties). Turn south on Route 123, Chain Bridge Road. Proceed about 1.5 miles to light at North Street. Turn right on North Street and stay in your left lane. Go to light at Main Street, Route 236. Turn left onto Main Street, Route 236 (East). Go to your second light at University Drive. Turn right onto University Drive. Go through the first light (Sager Ave.) and turn left at the next intersection onto South Street. Turn right into the (free) parking lot.

***Alternative Route To Avoid Heavy Traffic** on the two-lane section of Chain Bridge Road between Route 50 and North Street in Fairfax: Instead of going south on Chain Bridge Road, Go East on Route 50 to the next light *after* Chain Bridge Road and turn right onto University Drive. Proceed on University Drive (bearing left at the "Y" intersection) to South Street and turn left. Then turn right from South Street into the parking lot.

Directions from Points South or Southeast:

Turn on to Route 123 - North, Ox Road, from either I-95 in Prince William County or from the Fairfax County Parkway in Fairfax County and proceed to University Drive. University Drive is the first light after Braddock Road. Turn right onto University Drive and proceed to South Street (the first street after the fire station). Turn Right on South Street and then turn right into the parking lot behind the building.

Parking:

Park in any spot in the rear parking lot. Parking is usually ample and there is no charge. The lot has filled up after 9:00am so early arrival for morning workshops is best.
